

CITY OF LODI COUNCIL COMMUNICATION

AGENDA TITLE: Introduce an Ordinance Repealing Ordinance No. 847 an Ordinance Adopting a Specific Plan for Lower Sacramento Road from West Lodi Avenue to West Turner Road to Allow a New Driveway

MEETING DATE: March 19, 2008

PREPARED BY: Public Works Director

RECOMMENDED ACTION: Introduce an ordinance repealing Ordinance No. 847 an Ordinance adopting a Specific Plan for Lower Sacramento Road from West Lodi Avenue to West Turner Road to allow an additional access point between Turner Road and Tejon Street to allow a new driveway on the west side of Lower Sacramento Road, approximately 450 feet south of Turner Road.

BACKGROUND INFORMATION: Ordinance No. 847, an ordinance adopting a specific plan for Lower Sacramento Road from West Lodi Avenue to West Turner Road, was adopted by the City Council on August 2, 1967 (Exhibit A). The intent of the ordinance was to limit permanent openings to Lower Sacramento Road to those areas indicated as "Access Points" by the Ordinance. Repealing the existing ordinance would permit an additional access point as described below.

A growth management application for a residential project to allow the construction of up to 47 single-family residential units near the southwest corner of Turner Road and Lower Sacramento Road has been submitted by Farmers & Merchants Bank. A new access opening onto Lower Sacramento Road is proposed. The proposed opening is approximately 450 feet south of Turner Road and 500 feet north of Tejon Street, as shown on the proposed plan (Exhibit B).

Farmers & Merchants Bank believes the access opening onto Lower Sacramento Road is critical to their project and is requesting that the City Council approve the right in right out street opening prior to proceeding with their Growth Management Application.

Since the proposed project site is the last undeveloped property along Lower Sacramento Road between Turner Road and Lodi Avenue, staff recommends that Council approve the requested right in right out private street opening (Exhibit B) by adopting an ordinance extinguishing Ordinance No. 847 rather than adopting an ordinance to amend the existing Specific Plan. Staff recommends approval of the additional access opening given the following:

1. Woodhaven Lane consists of a single southbound through lane at the Turner Road intersection to the east-most southbound lane on Turner Road, resulting in slower speeds through the intersection.
2. Eastbound Turner Road has a dedicated right-turn lane in the west-most southbound lane on Lower Sacramento Road.
3. Speeds are somewhat controlled by the traffic signal at the intersection.
